To Whom it may Concern,

Redson, La. is expanding, we now have Hwy. 167 w/ 5 lanes through town. When Hwy. is complete, we will have more new businesses here.

Now, we need the Post Office Daily. Without it, we will have to drive some 25 mi. or more to use a post office. We've had our business here, since 1991. During that time we've only expanded. We need our Post Office Daily for many needs.

Why not close down another Post Office, like Goldenrod, La., where there is no use, instead of ours. Not only that town, but there are several not used as much as Redson's.

Please consider all the businesses in Redson, major ones, who use the Post Office daily. We are in town & within a 2 block radius of the Post Office, we have 7 businesses and the school using the post office daily.

Thank You,  
Ann Harrington

In Re: Closure of Innis Post Office - Innis, La 70747

Dear Ms. Bailey:

I was born on March 8, 1925 in Innis, La and have resided here all my life. I am deeply saddened at the thought of losing our Post Office. Our small town as grown over the years and now includes a doctor and dentist office, a brand new fire station, Innis Water Corporation Office, a lumber yard, Industrial Electronic Repair Store, Senior Citizen Center, Thrift Store, a custom Cypress Sawmill, two grocery stores, a Sheriff Substation and several churches.

As a retired businessman and cattleman, I would like to offer an alternative and more economical plan. The current location of the post office is on my land and has been for many years. The rent has been \$200 per month for an annual total of \$ 2,400. Because Innis is centrally located between Batchelor and Lettsworth, and a walking distance for many, why not close Batchelor and Lettsworth, and make Innis the main post office. It is also my understanding that neither Batchelor nor Lettsworth have a postmaster, while Innis has Ms. Carol Christopher, a career employee, who is a definite asset to our community.

In closing, I would like to re-iterate that Innis is centrally located and would have its own parking lot for the customers. Please reconsider your decision and contact me if I can be of assistance.

Sincerely,

Leonard Purpera

In Re: Closure of Innis Post Office - Innis, La 70747

Dear Ms. Bailey:

Thank you for taking time to read my letter, as I know that you are very busy. I was born and raised in Innis, Louisiana and love our little town. My father is a retired cattleman and business owner. I have taken over the grocery business and work hard to help our town grow. We now have a doctor and dentist office, a brand new fire station, two grocery stores, two thrift shops, Senior Citizen Center, Innis Water Corporation office, Lumber Yard, Tavern, Electronics Repair Shop, Custom Cypress Sawmill, several churches and a pharmacy in the planning. It really grieves me at the thought of losing our post office. It is located on my father's land and he has offered to reduce the rent. He has also offered an alternative plan. Please consider making Innis, which is centrally located between Lettsworth and Batchelor, the main office. It would have its own parking area and is within walking distance for many. I beg that you reconsider your decision to close our post office. It would be such a shame for people that pay their bills, pick up supplies at the lumber yard, shop at the grocery and thrift stores all in one small area to have to drive to Batchelor to pick up their mail. God bless and thank you for your time. If I may be of assistance in any way, please do not hesitate to call me.

Sincerely,

Jeanine Lemoine

Mail carrier service is long overdue. There are a lot of businesses that will not send parcels to a PO BOX if you don't receive residential mail, or have a physical address for delivery. These companies can verify living address from directory services but not a PO BOX.

Primary question is what cost will postal customers incur for this transformation such as mail receptacle, installation, and so forth. Also, will it disrupt current services?

## Postal Concerns

The following postal concerns were expressed

1. Concern (Favorable):  
Customers inquired about building a new facility or a mobile unit  
Response:  
You inquired about building a new facility or a mobile unit. New construction or the placement of a mobile unit or trailer is not feasible when regular and effective service can be provided by more cost-effective alternatives, such as rural delivery.
2. Concern (No Opinion):  
Customers expressed concern for those customers with disabilities who are not able to go to adminoffice Post Office to pick up their mail  
Response:  
You expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.
3. Concern (No Opinion):  
Customers were concerned about having to travel to another post office for service  
Response:  
You expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
4. Concern (UnFavorable):  
Customers asked why their post office was being discontinued while others were retained  
Response:  
You asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
5. Concern (UnFavorable):  
Customers expressed concern for loss of community identity  
Response:  
You expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended Post Office name and ZIP Code in addresses and in the National Five-Digit ZIP Code and Post Office Directory.
6. Concern (UnFavorable):  
Customers expressed concern for those customers with disabilities who are not able to go to adminoffice Post Office to pick up their mail

the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

**Concern (UnFavorable):**

7. Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community

**Response:**

You expressed a concern that the Postal Service exhibits a lack of interest in the mailing needs of the community. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

**Concern (UnFavorable):**

8. Customers expressed concern over the dependability of rural route service

**Response:**

You expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.

**Concern (UnFavorable):**

9. Customers were concerned about a change of address

**Response:**

You expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.

**Concern (UnFavorable):**

10. Customers were concerned about having to travel to another post office for service

**Response:**

You expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

**Concern (UnFavorable):**

11. Customers were concerned about obtaining services from the carrier

**Response:**

You were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

**PURCHASING STAMPS BY MAIL**

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

**PURCHASING POSTAL MONEY ORDERS**

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

**SPECIAL SERVICES**

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

**HOLDING MAIL**

Customers who will be away for an extended time, such as a vacation, may request that their mail be held
